WE TREAT YOUR PROPERTY AS IF IT WERE OUR OWN

CONDITIONS

All promotions run by Coastal Painting and Property Maintenance are for residential customers and residential clients only. All commercial clients are not entitled to any advertised promotions run by Coastal Painting and Property Maintenance.

Residential clients are entitled to redeem the offered promotion run by Coastal Painting and Property Maintenance when Coastal Painting and Property Maintenance have received the signed acceptance and acknowledgment form which is provided with the client's Quote. Coastal Painting and Property Maintenance, on receiving the signed acceptance and acknowledgment form and also a 10% deposit of the total Quoted price of the project, will then contact their colour consultant and forward the client's details on.

The colour consultant will then contact the client and arrange an appropriate time for both parties to come together and discuss the client's needs. All advice given to the client regarding colour choices is between the colour consultant and the client. Coastal Painting and Property Maintenance takes no responsibility for the client's final choices of colour.

The colour acceptance form that also was provided with the Quotation for the client's project must be signed and returned to the colour consultant or Coastal Painting and Property Maintenance before colours are ordered. Once colours have been ordered by Coastal Painting and Property Maintenance or the colour consultant on behalf of Coastal Painting and Property Maintenance, the client is fully financially responsible for the material percentage of the quote.
